

The music of *dulce VAS* embodies the breath-taking panorama of the Southwest. Based in Phoenix, AZ, *dulce VAS* has rapidly become a local favorite and is now sought after on a national level. What sets *dulce VAS* apart from the rest is the unique capability of providing music for your entire event from start to finish. This includes *live music* for wedding ceremonies, cocktail hours, dinners and *entertainment* for feature presentations at corporate events.

The concept arose when the classically trained musicians of *dulce VAS* came together with the desire to play the music of their personal passion—well known Pop and Jazz standards—with something much more than harp, flute, bass, and percussion. It has been said the music of *dulce VAS* could best be described by combining a little Sting, Lady Gaga and Santana—followed by shot of tequila (with a lime, of course). One might even say *dulce VAS* is Sonoran Jazz. Specializing in creating new arrangements out of old and new popular tunes, *dulce Vas* is a twisted yet refreshing musical alternative to the typical band.

Who is dulce VAS? *dulce VAS* is made up of harp, flute, bass, and percussion. Yes, a harp! But this is an electric harp, one unlike any other in the Western Hemisphere. The members of *dulce VAS* are award winning, classically trained soloists with an extensive history of playing alongside and recording with top music artists such as Kenny G, The Temptations, Gypsy Kings, Deborah Henson-Conant, Marc Antoine, Euge Groove, Scott Cussu, Eric Darius, Nestor Torres, Christopher Caliendo, Johnny Rawls, and more. *dulce VAS* has proudly entertained for various corporate functions including Eastman-Kodak, Anne Geddes, Barbara Bush, Summit Builders, The Superbowl NFL Experience 2008, Earnhardt Auto Enterprise, Arizona State University, Salvation Army, Sub Zero, Banner Health, Bonner David Galleries Featuring Dyana Hesson (botanical artist), Community Church of Joy, Tiffany and Bosco Law Firm, and many more.

*dulce VAS* has played great venues too, including Caesars Tahoe, Gaylord Opryland Hotel, Sonoma Showcase Wine Festival, Carefree's El Pedregal, The Ritz Carlton, Four Seasons, Grand Hyatt Hotel San Antonio, The Hyatt at Gainey Ranch, The Phoenician, Royal Palms, Desert Botanical Gardens, Valley Ho, The Wigwam, The Raven, Troon, Sedona's Enchantment Resort, AZ Grand Resort, The AZ Biltmore Resort, The Wrigley Mansion, The Sanctuary Resort, Talking Stick Resort, Frank Lloyd Wright's Taliesin, The Princess Resort, The Phoenix Art Museum.
